PRIMARY EXAMINER

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach or fairly suggest the claimed apparatus including the specific limitations of: "a first support center for supporting the up/down drive unit (50) by the support member and a second support center for supporting the component holding member by the support member are positioned so that a distance in the direction extending generally along the surface of the board between a fixation center (J) of the support member for fixing the head moving unit to the head fitting portion and said first support center becomes smaller than a distance (L2) in said direction between said fixation center and said second support center, and the head control unit (90, 190, 290) is positioned on one side of said first support center opposite in said direction to a side on which said second support center is positioned." As set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
